

Corrosion Resistant Stainless Steel Series

Stainless Steel Spring Retractable Reels

Air/Water/Oil - 3/8", 1/2", 3/4", 1" I.D.

Reelcraft's stainless steel hose reels are ideal for food processing, pre-rinse, wash down, chemical transfer and industrial-solvent handling. Also suitable for coastal, offshore and on-board ship in marine applications where the harsh environment of salt water spray requires the use of stainless steel hose reels. Swivels include Viton® "O" rings.

Stainless steel hose reels increase the life of expensive chemical fluid transfer and wash down hoses and improve sanitation. Eliminate tripping hazards of hoses by properly storing them on reels.

NOTE: Standard latch parts are made from aluminium. Stainless latch parts are available as a standard option (except 80000 Series) by placing an "S" at the end. Example: OLSS.

FEATURES

- ✓ Full-flow stainless steel shaft and swivel assures maximum product delivery.
Exception: Series 80000- aluminum fluid path.
- ✓ Heavy duty brackets eliminate bending due to angular hose pull.
- ✓ Banded drive spring gives smooth automatic hose retrieval.
- ✓ Multi-position guide arm permits wall, floor, ceiling, pit or truck mounting.
- ✓ Nylon guide rollers reduce hose drag and abrasion.
- ✓ Pos-i-latch will maintain the desired working length of hose. Mechanism assures a positive latch of the hose.
- ✓ All reels are permanently factory lubricated.
- ✓ 7000 Series offers weatherproof gasketed spring motor, assures maximum service life.
- ✓ Vibration-proof self-locking fasteners assures assembly integrity.
- ✓ 304L grade of stainless steel.
- ✓ Passivated for electro-polish finish.

*Series 80000 and D80000 stainless reels have an aluminum fluid path and may not be suitable for all applications.

Series 5000

Compact

Great for areas where space is critical

HS18000 M

Series 7000

Heavy Duty

General Use

Many versatile applications in corrosive or sanitary environments

Series 80000

Series D9000

Ultra Heavy Duty

Heavy duty dual pedestal for maximum strength
